# SANDY'S CORNER

Found this and thought I'd share for a quick laugh!! Enjoy!

### SAD NEWS

Please join me in remembering a great icon of the entertainment community. The Pillsbury Doughboy died yesterday of a yeast infection and trauma complications from repeated pokes in the belly. He was 71.

Doughboy was buried in a lightly greased coffin. Dozens of celebrities turned out to pay their respects, including Mrs. Butterworth, Hungry Jack, the California Raisins, Betty Crocker, the Hostess Twinkies, and Captain Crunch. The grave site was piled high with flours.

Aunt Jemima delivered the eulogy and lovingly described Doughboy as a man who never knew how much he was kneaded. Doughboy rose quickly in show business, but his later life was filled with turnovers. He was not considered a very smart cookie, wasting much of his dough on half-baked schemes. Despite being a little flaky at times, he still was a crusty old man and was positive roll model for millions.

Doughboy is survived by his wife Play Dough, three children: John Dough, Jane Dough, and Dosey Dough, plus they had one in the oven. He is also survived by his elderly father, Pop Tart.

The funeral was held at 3:50 for about 20 minutes.

# DAN'S BLURB

**Happy August Everyone!**

Hard to believe we are in the last month of summer already! My kids will be going back to school in a couple of weeks and if you pay attention you can notice the days getting shorter. Before we know it the leaves will be starting to change!

With fall coming soon, I'm left thinking about the upcoming open enrollment period for health insurance and what a mess the whole system seems to be in. Here's what I know for right now, though it will certainly change as we get closer to October and the beginning of the enrollment period.

For those of you on CareSource through the My-Care Ohio plan, CareSource and the Cleveland Clinic still

haven't reached an agreement so if you want to stay with your current doctor you will need to look at changing your plan to either Buckeye or United Health insurances. Because the contract with CareSource and the Clinic ends at the end of August, My-Care Ohio has started an early open enrollment for those on CareSource so your changes can be in effect for September 1<sup>st</sup>. See me for more information or to make changes to your provider.

Since the changes in Medicaid last August, there hasn't been any new information coming out of the Department of Jobs and Family Services. Spenddown is gone now! So only those who are eligible for Medicaid every month can get it. There has been

some movement at the State level to cut back on Medicaid spending but it hasn't passed yet.

On the Federal/Medicare side of things, I have been closely watching the healthcare debate. If there are no changes, I expect that the fall open enrollment will be like other years. Either way I have been working on getting a representative from OSHIP to come later in the fall to speak to us on the changes, both State and Federal, that we can expect. Keep an eye out for a flyer with a date for this in the coming months.

I hope everyone has been enjoying the beautiful, not too hot, weather we've been having!

Dan

“Poor Old fool,” thought the well dressed gentleman as he watched an old man fish in a puddle outside a pub. So he invited the old man inside for a drink. As they sipped their whiskeys, the gentleman thought he'd humor the old man and asked, “So, how many have you caught today?”

The old man replied, “You're the eight.”
